MELMARK TOOL MFG., INC. PRODUCTS

Melmark produces inline blowguns to meet all your needs:

- [RJ001. Safety Inline Blowgun](#)
- [RJN02 Standard Inline Blowgun](#)
- [RJR03 Rubber-Tipped Inline Blowgun](#)
- [RJT05 - Rubber-tip Replacement Model](#)
- [RJT09 - Safety-tip Replacement Model](#)

RJ001. Safety Inline Blowgun

meets Federal OSHA requirements of special relief hole in nozzle which limits pressure to 30 psi when dead ended when used on air line of 150 psi or less.

Ready Jet Inline Blowgun is a sealed unit and is virtually trouble free. It is made of aircraft aluminum for toughness and light weight. The button is brass for a quality product. The valve is a neoprine o'ring which is

impervious to water, oil, etc.
