

**3M Automotive Aftermarket Division**  
**3M™ Performance 400 Productivity Cart**

# Organized Productivity

The 3M™ Performance 400 Productivity Cart is designed with the technician in mind to help promote work area organization and enhance productivity. Having products in the right place at the right time can improve technician efficiency, help better manage materials, increase shop profits, and even reduce cycle time.

## How Many Tool Boxes Have You Seen Look Like This?

## Then Why Do Body Shop Carts Look Like This?

**Solution: 3M™ Performance 400 Productivity Carts**

# Cart Smarts

## The Right Tool Within Reach

### 100 Points

Purchase 100 points of 3M Abrasives, Tapes, and Paint Finishing products, or the 3M™ PPS™ SUN GUN™ Color Matching Light on a single invoice to receive the 3M™ Performance 400 Productivity Cart while supplies last.

Note: A minimum of 50 points must be 3M abrasive products.

OR

### 60 Points

Purchase 60 points of Abrasives, Tapes, and Paint Finishing products, or the 3M™ PPS™ SUN GUN™ Color Matching Light on a single invoice to receive the 3M™ C.A.R.T.S. or the 3M™ S.M.A.R.T. Bumper Stand while supplies last.

Note: A minimum of 30 points must be 3M abrasive products.

## The Right Materials at the Right Time

Keep tools and materials nearby for easy reach because less time spent hunting for the right materials means more time for getting the job done right. Try one of these layouts for the carts and see if you can enhance your productivity today.\*

\*Products not included.

Paint Preparation cart

Bodyman cart

Detailer cart

## Designed with the technician in mind

Durable construction takes on day-to-day activities.

- Locking tool boxes
- Storage trays
- Tool and accessory holders

## Promote work area organization

A place for everything, and everything in its place.

- Inventory management trays
- Garbage can
- Secure place for overstock
