

bodyshop business web directory

happy
SURFING! :)

The *bodyshop business* web address directory is a Yellow Pages for industry companies and associations with a Web presence that offer products and services specifically designed for the collision repair industry. The directory is broken into three parts:

1. Products by Category, starts below
2. Alphabetical Company Listing, pg. 82
3. Industry Associations by State, pg. 91

products by category

ABRASIVES

Including plastic-media-blast materials, velcro/fiber discs, body file sheets, etc.

Abrasive Resource www.abrasiveresource.com
Auto Quip, Inc. www.autoquipinc.com/
Carborundum www.carborundumabrasives.com
